

Master's in Psychology Accreditation Committee

Annual Report

2016

During 2016, Joan Duer continued chairmanship of the MPAC Committee. Chloe Moushey (Indianapolis, IN) was appointed and Jeanette Hanna (Augusta, GA) was reappointed to the Committee. Joan Duer, Jeanette Hanna, and Jane Stafford served as MPAC representatives on the MPCAC Council. Jane Stafford represented MPCAC at the APA Summit on Master's Education.

Three site visits were conducted resulting in one new accreditation (Clayton State University). Accreditation action on the other two site visits will occur in early 2017. One program (Midwestern State University) submitted a Continuation Report which led to the awarding of accreditation until June 2018.

Five Interim Reports were submitted and approved (The Citadel, Frostburg State University, Morehead State University, Francis Marion University, and University of Dayton). A sixth submitted report is still under review. Four pre-applications were approved.

Thus at the end of 2016, there were 25 MPAC accredited programs in 23 institutions (listed in alphabetical order):
